Steve's Free Time

Hi! My name is Steve. I am 14 years old and I live in Bristol, in the United Kingdom, with my parents and my siblings Paul and Lucy. I am a dynamic boy. I **go to school** by bike. I like **doing sports**. We train after school and **play matches** against other schools every week. **Playing basketball** is my favourite sports. I am an excellent swimmer, but I don't go much. I don't like water sports because it's too cold in Winter.

In my free time, I **play computer games, collecting stamps** or **read books**. My favourite one is playing computer games. But all teachers at school say: "Reading is fundamental", so I must read much more.

At the weekends, I usually **go camping** with my parents and my siblings. When my parents **go trekking**, my siblings, other children and I usually **play tag** or leap frog. My favourite game is **playing leap frog**. Camping is very enjoyable and fun. We **set fire** and **sing songs**. Lucy sings and Paul **plays the guitar**. Music is their common hobby.
